- Constitution
 - Committee discussed then agreed by vote on wording change to allow owners of all Falcon GTs made by Ford to be members of the club. Suitable words were also agreed to allow replicas of all GTs into the club. Discussion regarding associates was robust but associate membership remains as it was and that is only associates with suitable cars from 1967 to 1978 Falcon models. Suitable words edited into draft constitution by Doc.
 - All changes will be put to club members at the next general club meeting(s) for discussion and a vote.
- Next year's membership renewal item was briefly discussed. Some ideas raised for consideration that could have the club logo applied are:
 - Workshop stool
 - Through over car seat cover
 - Car guard protector
 - Coffee cup
 - Beer stein
 - flag
- Committee members will look at various promotions companies sites for ideas for discussion at future committee meetings.
- Next committee meeting to be determined later by President based on progress of constitution and other requirements
