Presidents Report – Jamie Williams

Big thankyou to all club members who attended and helped out with the Shannons Wheels show – representing “Ford” as it was the main focus of the event.

We had our resident bogan man “Mick” who showed them all up on TV and had the XB revving nicely on the WIN TV.

Big thankyou to Doc – who has been over at Perth representing the Falcon GT club of Canberra and winning awards for his entry of an XA Purple Coupe.

Also – Big welcome to our newest member Jason Wilcombs. Jason brings to the club a tidy XA GT yellow glow/ black. Jason has a real passion for his car and GT`s in general and is eagerly looking forward to our next club run.

Ben raised with members that he has some spare official club shirts available for purchase (Blue/ Black design).

Jamie – to give Ben \$70 at the next meeting re merchandise sales from the Shannons wheels show and shine day.

Events Managers Report – David Chapman & Tony Bevacqua

- 3 x members attended the last club run to Wakefield Raceway (weather was terrible conditions and those travelled together in Dave`s Ranger) But had a good day all the same.

- May 14th 2017 – was picnic in the Park Bungendore (Since been postponed til 21st May 2017 due to clash with Mothers Day). See website for further details.
- June 17th and 18th – the much waited for trip to Gosford Motor Museum. Overnight stay for all members attending (accommodation details being sent via email) Lots of discussion on this trip re taking of our beloved GT's for the drive to Gosford or taking family car or possibly a bus?? After lengthy discussions all agreed to allow members to decide on the day. If you wish to take your pride and joys please do as some are. If you wish to take the family car for the run then that's your choice. The bus option was a possibility but most likely not viable on this occasion due to numbers and logistics to organise. Please see details for further accommodation details and also check website for meeting times and location for departure.

Web Master Report – Doc Baldwin

Nil to report web wise. All running good as per expected.

Doc attended the ACT Motor Council meeting on behalf of Mick Walsh – Doc gave our club apologies for our club registrar being absent.

Registrar - Mick Walsh

- Absent

General Business:

- Simon scored some awesome number plates from Scotty for his yellow BA GT. The President had nothing to do with this.
- Doc represented our club at GT Nationals where he won best Modified for his XA Coupe GT
- Barry Jamieson won runner up for best "Restored."
- Docs Red XA GT Coupe is sick and weeping and needs some love from his owner – that's why he wasn't at the GT Nationals.
- Doc explained what happened whilst at the Nationals and how it all worked. He went to all the necessary meetings and issue was raised about having only President/ Vice Presidents as the club delegates for representation at these events. President stated that we have no intention of changing our delegate and very happy and thankful to Doc for taking on this role. This was also raised at the GT Nationals meetings by Doc. So there will be no change to this at the current time. Thankyou Doc.
