**Presidents Report:**

The rule changed to allow existing members with other makes/model vehicles to have them on Historic rego with the Club, as previously discussed and agreed upon, was discussed at length. As it was initially agreed that this would come into effect once the 60 day Act rego was through, and the fact that this could be another 6-12 months away, it was proposed and agreed that Doc would finalise the draft rule change for review. This would then be discussed and voted on at the conclusion of next month's meeting by the committee.

**Vice Presidents Report:**

Peter has now received the windscreen banners from Roger. Enough for each model we usually have at car shows.

**Treasurer's Report:**

Scotty tabled Dermot's report on the financial position of the club.  
Income of \$40 for merchandise sales. Expenses were \$140 catering for meetings & \$30 for web domain renewal.  
Bank balance of \$11,240.81 as at 9 March 2022.

#### Events Manager's Report:

Shannon's Wheels attended by the Club, however not a great turnout with only 5 Club members, probably due to the threatening clouds on the day.  
The G-Spot run will be revisited subject to weather and members will be advised.
