**Presidents Report:**

New polo shirts now sorted and about to be ordered.

**Vice Presidents Report:**

Note that the first batch of the 60-day log books have a misprint but won't be replaced, so just leave as they are.

Also note, if you have an ACT Driver's Licence with an initial instead of your full name, they are no longer allowed. You can go to Access Canberra and they will organise a replacement free of charge, otherwise it will get sorted when you next renew your licence.

**Treasurer's Report:**

Up to date financials tabled with monthly income for April of \$508, expenses of \$170.12 and end of month bank balance of \$8,920.14.

We will need to look at moving the end of year financial reporting forward from our November AGM, to Avoid the \$90 late fee we keep incurring, until we become exempt from being required to lodge.
